April 4, 2022

To our Much Appreciated Customers,

After much deliberation, we have deemed it necessary to increase due to continued overall increases in our operating costs. We regret to announce an increase of 15% on all invoices on and after May 31, 2022 for the following products:

❖ **ALL FINISHING PRODUCTS**

Please contact your sales representative with questions, concerns, & comments.

We will continue to work on mitigating the impact of rising costs. We appreciate your continued business and relationship.

We remain at your service and thank you for your support.
