

## Price Increase Announcement December 11, 2023

### To Our Valued Customers:

Due to the rising cost in raw material, energy, and freight, Mill Steel Framing will implement a minimum price increase of 10% of all products on January 12th, 2024. We will continue to monitor the Mill activity as other increases may be necessary to offset these rising costs.

We will honor all active quotes in accordance with our current quote policy and will be adhering **100%** to our quote policy. New price sheets will be sent out following this announcement. We greatly appreciate your continued support.

Sincerely,  
**Mill Steel Framing**
