

August 13, 2021

Dear Valued Customer,

Effective with shipments beginning on September 1, 2021, Carlisle will increase the price of all Spray Foam Insulation systems by 10%. This is regardless of when the order was placed.

Raw material, packaging and logistics costs continue to rise. This increase is necessary for us to continue to procure and deliver the highest quality product that you expect from Carlisle.

Your sales representative will be in touch to explain this announcement in more detail and to answer any questions you may have.

As always, we appreciate your loyal partnership and business.

Regards,

Bill Brengel
