RE: PRICE INCREASE NOTIFICATION

Dear Valued Customer,

Due to the continuation of extremely rapid rising raw material costs, AMICO will be increasing pricing on all Metal Building Products by a **minimum** of **15%**. This will be effective in all regions for orders placed on or after February 1, 2021. This increase is in addition to the previous announced increase announcements.

AMICO will continue to honor all existing quotes in accordance with our current job quote policy pricing in addition to all orders previously placed.

We are committed to supplying you with the best product in the timeliest manner possible and appreciate your loyalty.

Best regards,
