To Our Valued Customers

As a result of the ***unprecedented*** market increases in steel and vinyl ***costs*** and the ***allocations*** that we are currently experiencing, we are forced to increase our prices as follows effective May 1, 2021.

Square coated metal cornerbead trims will increase by 10%.

Bullnose coated metal cornerbead trims will increase by 5%.

Paper-faced cornerbead trims will increase by 5%.

Vinyl cornerbead trims, tools and accessories will increase by 10%.

Due to the limited ***allocations*** that we are receiving, all orders placed prior to April 30th will need to be ***similar volume*** compared to orders in prior months and years.

We truly appreciate your understanding and loyalty during these difficult circumstances. Please contact and work with your sales representative on any concerns you might have.

Very truly yours,

Ralph Scott
President
