**ARMSTRONG CEILING SOLUTIONS TO INCREASE PRICE OF
MINERAL FIBER AND FIBERGLASS CEILING PANELS**

Geographic Coverage: US, Latin America– Commercial Distributors, Contractors, and Retail

LANCASTER, PA – Effective Friday, July 1st, 2022, Armstrong Ceiling Solutions will initiate a 17% price increase on all mineral fiber and fiberglass ceiling panels.

Extraordinary energy market volatility, particularly in the natural gas market, as well as escalating and widespread inflationary impacts on raw material and transportation costs, necessitate this increase. Please know that we remain committed to maintaining our service levels to support you and your customers through these challenging conditions.

This Pricing Bulletin and the above guidance are based on currently available information and reflect conditions at this time. Consistent with past practices, we will provide updated pricing information in the form of list pricing, bulletins or other notifications, as appropriate, as additional information becomes available. As always, you remain free to quote, price and contract at whatever pricing you may choose in your discretion. Please always feel free to contact your local area manager with any questions or requests for assistance.

We appreciate and thank you for your business.
