December 1, 2021

Dear Flex-Ability Concepts Customer,

Due to further increases in freight costs and raw materials costs, we find it necessary to increase the prices for our products. The increases will be approximately 3%-5% and will take effect January 1st, 2022. The new price list has been attached to this announcement. All job specific quotes given after August 1st, 2021 will be honored.

Please know that our suppliers are able to provide the raw materials we require and we continue to ship orders same day.

We are grateful to you for your continued support, thank you.

Best regards,

Robert Widmer
