Price Increase Announcement

REVISION

To Our Valued Customers:

Due to the rapid rising increases from the Domestic Mills, we are making a revision to our May price increase. To keep up with these rising costs of steel, we will be changing our May increase to reflect a minimum price increase of 20% of all products on May 3rd, 2021. We will continue to monitor the Mill activity as other increases may be necessary to offset these rising costs.

We will honor all active quotes in accordance with our current quote policy and will be adhering 100% to our quote policy. New price sheets will be sent out following this announcement.

We greatly appreciate your continued support.

Sincerely,

Mill Steel Framing
