

September 18, 2020

Dear Valued Customer:

2020, with its unprecedented challenges, has proven to be a year for the history books. We would like to take this opportunity to express our appreciation for your loyalty, your business and your resiliency. Coastal's commitment to our partnership continues to be focused on supplying superior value for all your Masonry Products and Packaged Cement needs.

At Oldcastle, we continually strive to contain costs and leverage our efficiencies to mitigate these increases. However, additional production cost increases, particularly in raw materials and labor have made it necessary to implement a modest price increase effective January 1st, 2021. This increase will ensure that Coastal will continue to provide high quality products and superior service.

Effective January 1st, 2021 all Masonry Products and Packaged Cement pricing will increase 5%. Orders shipped after this date will reflect the new pricing. This advanced notice is intended to assist you in your planning. Your local sales representative will be contacting you in the near future to address any questions you may have and to review your new pricing.

At Coastal, we sincerely thank you for your business and look forward to an outstanding year in 2021.

Sincerely,

*Jim McDaniel*
