December 1, 2023

To Our Valued Customers:

Steel-Con is announcing an increase of a minimum of 10% on January 1st, followed by another 10% February 1st these increases are in addition to the December 1st increase. These increases reflect the continued rise in price from the domestic steel mills.

These increases will include steel framing, accessories and miscellaneous break metals.

Our sales department will be distributing new price sheets. Along with the price sheets your sales representative will be canceling all quotes that have not been identified as a Steel-Con job within the 30 days as stated at the bottom of your quote. All sales are subject to our Standard Terms and Conditions.

Again, thank you for your continued support. If you have any questions, please contact your sales representative at 407 438-1664.

Sincerely

Steel Construction Systems

Manufacturing Light Gauge Steel Framing for the Construction Industry Since 1995
