RE: 2021 April Price Increases

To Our Valued Customers

In response to additional increase announcements from the domestic steel mills, Super Stud Building Products will be increasing prices by a minimum of 10% on all steel products on deliveries on or after April 1, 2021. This is in addition to the March 1, 2021 price increase.

Super Stud Building Products will honor all unexpired quotes in accordance to our quote stipulations and policy. Please contact the Super Stud sales office to review any pending job quotes or if you should have any questions.

Thank you for your business and continued support.
