

April 8, 2022

Effective Monday, May 9th, 2022, USG will increase distributor pricing on the following products.

- USG STRUCTO-CRETE® Brand Structural Panels in the US will increase by up to 5%. This includes:
 - 3/4" USG STRUCTO-CRETE® Brand Structural Panels
 - 3/4" USG STRUCTO-CRETE® Brand Structural Roof Deck Panels
 - 3/4" USG STRUCTO-CRETE® Brand Structural Xtra Strength Panels
- USG Stocked GRABBER® accessory items will also increase in price. This includes:
 - GRABBER® SUPERDRIVE®75
 - GRABBER® LOX2 Bits
 - GRABBER® CFS Screws

Please consult with your USG Structural representative for details.

USG will continue to add a Freight Surcharge to all shipments and an additional LTL Charge to smaller shipments. Those additional charges remain the same, apply equally to all panel products, and are calculated per MSF.

The MSRP for panels will also be adjusted accordingly.

As always, we appreciate your business and look forward to our continued partnership.

Sincerely,

A handwritten signature in black ink that reads "David Song". The signature is fluid and cursive, with a long, sweeping tail on the letter "g".

David Song
Director USG Structural Solutions

COVERAGE AREA: Entire USA
