

Vulcan Materials Company

April 4, 2022

Dear Valued Customer:

Our primary commitment to you is to make certain we continue to supply the highest quality products, service, and wide range of value added solutions to meet your needs. We are now well into the new year and our industry continues to face unprecedented headwinds and significant cost increases related to fuel, power, wages, transportation, production costs, environmental regulations and overall major inflationary pressures both here in the US and in our International operations.

Due to these factors we will be implementing the following price increases effective **July 1, 2022**.

FL Quarries (Ft Myers, Ft Pierce, Miami)

- 89, S1B, 3/8" Stones \$ 1.85 ton
- All other Stone & Screenings Products \$ 1.35 ton
- FDOT Limerock & Misc. Products \$ 0.55 ton

FL Rail & Marine Yards (Taft, Orlando, Auburndale, Tampa Port, Jax Port Keystone)

- 89, S1B, 3/8" Stones \$ 1.85 ton
- All other Stone products \$ 1.35 ton

FL Sand Mines (Witherspoon, Diamond, Lake Sand, Weirsdale, Astatula, Keuka, Goldhead, Grandin)

- All Products \$ 0.85 ton

In addition as we have previously communicated, for delivered orders SED Logistics Fuel Surcharge percentage based on the Lower Atlantic number <https://www.eia.gov/petroleum/gasdiesel/> will be revised on the 1st and 15th of every month.

Again, thank you and we look forward to continuing as your chosen supplier of construction materials and services. Please do not hesitate to contact your Sales Representative to address any questions in the meantime.

Sincerely,

Todd Jackson
