

cendrex

Dear Cendrex Customers,

We wish to inform you that starting July 1, 2024, we will be implementing a 3% increase in our access panels price list. This adjustment is a direct result of rising costs for raw materials, labor, energy, and other economic factors impacting our sector.

We have always been committed to providing you with the highest quality and service, and this adjustment will allow us to continue maintaining the high standards you expect from us.

We are notifying you one month in advance, allowing you to plan accordingly. Please note that approved quotations before July 1st will be honored.

We appreciate your understanding and loyalty, which are essential to us. If you have any questions or would like to discuss this change, we are at your full disposal. Your continued satisfaction remains our priority.

Sincerely,

Jonathan Boivin
