

Price Increase Announcement June 17, 2024

To Our Valued Customers:

We have seen a deterioration of pricing across all markets that is unsustainable. The lack of price relief from the steel mills requires a price increase across all markets effective immediately. Mill Steel Framing will implement a minimum price increase of 10% on all products on July 17th, 2024.

We will honor all active quotes in accordance with our current quote policy and will be adhering 100% to our quote policy. New price sheets will be sent out following this announcement. We greatly appreciate your continued support.

Sincerely,
Mill Steel Framing
